- Chat with fellow skiers and outdoor enthusiasts.

The Seward Nordic Ski Club (SNSC) is an organization focused on doing what it takes to maintain and keep local ski trails groomed throughout the winter for Seward residents and visitors to enjoy. SNSC raises money through membership, fundraisers, ski rentals, and grants to keep cross country ski trails groomed on Bear Lake, The Divide Ski Area (mile 12), Exit Glacier, as well as The Trail River Campground Loops. Clinics and events are planned through out the winter, members will receive newsletters, and access to an email list serve focused on trail conditions in the area on a daily or weekly basis.
