

Divide Ski Area

The Divide Ski Area (aka Mile 12) provides outstanding opportunities for beginner to expert skate skiing and easy classic/touring skiing in open meadows and forest trails. Thanks to the Seward Nordic Ski Club volunteers, the trail system is consistently and professionally groomed.

Seward Nordic Ski Club members share a love for safe winter activity. SNSC is a tax-exempt, nonprofit, all-volunteer group. SNSC constructs and maintains these trails and sets tracks in winter.

Luna Loop starts out steep then winds over moderately hilly terrain. A challenging steep right turn leads to a gentle slope back toward the parking lot.

Intermediate .9K (.5 mile)

Paradise Loop provides long sloping runs and, except for one steep turn, is rated

Easy 14.4K (.9 mile)

Madelyn's Meadow takes you through open meadows and forest edges and can be extended south to connect to Paradise Loop. Wet areas sometimes delay grooming.

Easy .9K (.5M)

There are rules of the trail that keep everyone happy:

- * Please do not walk on groomed ski trails
- * Dogs are not recommended
- * Let tracks set up before using; it takes 2-4 hours for the freshly groomed tracks to set up
- * Follow trail direction; keep to the right on two-way trails
- * Give way to skiers going downhill
- * Mountain bikes and snowmachines are discouraged
- * Join the Seward Nordic Ski Club to support skiing!

The fine print: any winter sport or activity is inherently risky and dangerous. The use of this map, participation in club activities, using SNSC website information, and receiving trail grooming equipment does not exclude you from using common sense. The Seward Nordic Ski Club, its officers, directors, contractors, and volunteers assume no responsibility for your performance.
